DRAWING NO. 1	
Design engineering geological and geotechnical investigations classified as Geotechnical Category III for the preparation of a project for the construction of new quays and shore reinforcements in the southern part of the port, dredging works, report.	
DESIGN ENGINEERING GEOLOGICAL SURVEYS	
Construction of new quays and shore reinforcements in the southern part of the port, dredging	ISSUE 0
For the preparation of the construction project, the design engineering geological and geotechnical studies are classified as Geotechnical Category III, report.
